Contribution and Intentions Questionnaire

Part 1: Binary Questions (Yes/No)

1. Do you believe in the importance of respectful dialogue even with people you disagree with?

Yes / No

2. Are you willing to back up your opinions with evidence or logical reasoning when challenged?

Yes / No

3. Do you prioritize seeking truth or understanding over winning an argument?

Yes / No

4. Have you ever revised a strongly held opinion based on new evidence or perspectives?

Yes / No

5. Do you avoid spreading information without verifying its accuracy?

Yes / No

6. Are you open to changing your viewpoint if presented with convincing arguments?

Yes / No

7. Do you believe that the intentional spread of misinformation is harmful to public discourse?

Yes / No

8. Do you avoid personal attacks when debating or discussing controversial issues?

Yes / No

9. Do you sometimes prioritize getting attention for your viewpoints over fostering constructive dialogue?

Yes / No

10. Do you feel more satisfied when your contributions in a forum are recognized over when others' ideas are discussed?

Yes / No

11. Would you ever share information that benefits you personally, even if it might mislead others?

Yes / No

12. Do you feel a personal sense of victory when others agree with your views, even if they don't fully understand the issue?

Yes / No

13. Do you believe it is acceptable to withhold or distort information to persuade others toward your perspective?

Yes / No

Part 2: Open-Ended Questions

1. What do you believe is the most important quality of a productive civic forum?

2. Describe a time when you engaged in a conversation with someone who had a different perspective. How did you handle the situation?

3. In your opinion, what is the role of evidence in forming opinions?

4. If you were presented with information that contradicted your current beliefs, how would you approach it?

5. What motivates you most when you share your opinions or report information in a public forum?

6. Have you ever reported or shared information with the primary goal of gaining personal recognition or influence? Why or why not?

7. How do you balance your personal beliefs with the need to listen to others in a public forum?

8. If your contribution to a conversation helped others but you didn't receive credit, how would you feel?

9. What steps would you take to ensure that your contributions to a civic forum are constructive and help move the conversation forward?

10. What is more important to you: ensuring others are well-informed, or having your views acknowledged as correct? Why?
